Notes

1. Information about this meeting is available from the Company's website; www.grit.london.
2. A member entitled to attend and vote at the above meeting is entitled to appoint one or more proxies to exercise all or any of their rights to attend, speak and vote at the meeting. A proxy need not be a member of the Company. You may appoint more than one proxy provided each proxy is appointed to exercise rights attached to different shares. You may not appoint more than one proxy to exercise the rights attached to any one share.
3. A form of proxy is enclosed for use at the above meeting. Completion and return of the form of proxy will not prevent a member from attending the meeting and voting in person. To be effective, the form of proxy, duly executed, must be lodged at the address shown on the form of proxy not later than 48 hours before the time of the meeting.
4. The right to vote at the meeting is determined by reference to the Company's register of Members as at 6.00 pm on 19 July 2018. Changes to entries on the register after that time should be disregarded in determining the rights of any member to attend and vote at the meeting.
5. As at 9.00 am on 25 June 2018, the Company's issued share capital comprised 41,964,512 ordinary shares of 1 pence each. Each ordinary share carries the right to one vote at a general meeting of the Company, and therefore, the total number of voting rights in the Company as at 9.00 am on 25 June 2018 is 41,964,512.
6. As a member, you have the right to put questions at the meeting relating to the business being dealt with at the meeting.
7. Any person to whom this notice is sent who is a person nominated under section 146 of the Companies Act 2006 to enjoy information rights (a 'Nominated Person') may, under an agreement between them and the member by whom they were nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the meeting. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, they may, under any such agreement, have a right to give instructions to the member as to the exercise of voting rights.
8. The statement of the rights of members in relation to the appointment of proxies in notes 2 and 3 above does not apply to Nominated Persons. The rights described in these paragraphs can only be exercised by members of the Company.
9. CREST members who wish to appoint a proxy or proxies by utilising the CREST electronic proxy appointment service may do so for the meeting and any adjournment(s) thereof by utilising the procedures described in the CREST Manual which can be viewed at www.euroclear.com. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
10. In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & Ireland Limited's ('EUI') specifications and must contain the information required for such instructions, as described in the CREST Manual. The message must be transmitted so as to be received by the issuer's agent ID-3RA50 by the latest time for the receipt of proxy appointments specified in note 3 above. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST.
11. CREST members and, where applicable, their CREST sponsors or voting service providers should note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
12. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001(as amended).
13. No Director has a service contract with the Company but copies of Directors' letters of appointment will be available for inspection for at least 15 minutes prior to the meeting and during the meeting.
14. Under section 338 of the Companies Act 2006, members may require the Company to give, to members of the Company entitled to receive this notice of meeting, notice of a resolution which may properly be moved and is intended to be moved at the meeting. Under Section 338A of that Act, members may request the Company to include in the business to be dealt with at the meeting any matter (other than a proposed resolution) which may properly be included in the business.
15. It is possible that, pursuant to requests made by members of the Company under Section 527 of the Companies Act 2006, the Company may be required to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the meeting; or (ii) any circumstances connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with Section 437 of the Companies Act 2006. The Company may not require the members requesting any such website publication to pay its expenses in complying with Sections 527 or 528 of the Companies Act 2006. Where the Company is required to place a statement on a website under Section 527 of the Companies Act 2006, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the meeting includes any statement that the Company has been required under Section 527 of the Companies Act 2006 to publish on a website.
16. In accordance with Section 311A of the Companies Act 2006, the contents of this notice of meeting, details of the total number of shares in respect of which members are entitled to exercise voting rights at the AGM and, if applicable, any members' statements, members' resolutions or members' matters of business received by the Company after the date at this notice will be available on the Company's website www.grit.london.
17. You may not use any electronic address provided either in this Notice of Meeting or any related documents (including the Form of Proxy) to communicate with the Company for any purpose other than those expressly stated.

18. Subject to the passing of Resolution 8, the Company's investing policy ("**New Investing Policy**") shall be as follows, and the bold underlined text indicates the changes proposed:

"GRIT will seek to achieve its investment objective through investment in companies globally which have a significant focus on natural resources and mining. GRIT will invest in companies that are in the field of the exploration and production of oil, gas, precious and industrial metals, and industrial and commercial minerals which, in the opinion of GRIT's investment manager, have the potential to increase their value considerably. These companies may be producing companies with a historical track record of production or they may be development companies or companies with exploration potential. GRIT will seek to ensure, through active shareholder involvement, that investee companies act to maximise long-term shareholder value. GRIT will invest primarily in companies with shares and securities which are listed, quoted or are admitted to dealing, on a relevant exchange (including debt securities which are convertible into quoted equity securities). For the purpose of this investment policy, a "relevant exchange" is (i) a regulated market, recognised investment exchange, recognised stock exchange, recognised overseas investment exchange or designated investment exchange, or (ii) a junior market operated by the operator of an exchange referred to in (i).

However GRIT may hold some investments in non-quoted, seed capital or pre-IPO companies.

Any material changes to GRIT's investment policy will only be made with the approval of Shareholders by ordinary resolution.

Risk diversification, asset allocation and maximum exposures

GRIT will seek to diversify its investments across a number of companies, with a range of natural resource assets, in jurisdictions globally. There are no restrictions as to the commodity classes and geographical regions into which GRIT may invest, however, GRIT will invest and manage its assets in a way which is consistent with its object of spreading risk. GRIT will adhere to the following investment restrictions:

- GRIT may only invest up to 60 per cent. of its Gross Asset Value (at the time of investment) in non-quoted, seed capital or pre-IPO companies provided that at any one time such new investments above a 15 per cent. limit will not be in more than two companies, with an emphasis in such instances on potentially large scale assets that also have the ability to bring them to production in the coming years;
- GRIT will not invest more than 40 per cent. of its Gross Asset Value in any one company (measured at the time of investment) provided that at any one time such new investments above a 15 per cent. limit will not be in more than two companies, with an emphasis in such instances on potentially large scale assets that also have the ability to bring them to production in the coming years;
- GRIT will not take legal or management control over investments in its Portfolio;
- GRIT will not invest more than 10 per cent., in aggregate, of its Gross Asset Value in other listed closed-ended investment funds;
- distributable income (if any) will be principally derived from investments. GRIT will not conduct a trading activity which is significant in the context of the activities of GRIT as a whole;
- GRIT will not enter into derivative transactions for speculative purposes. GRIT does not expect to enter into any hedging transactions, although it may do so for the purposes of efficient portfolio management and to hedge against exposure to changes in currency rates to the full extent of any such exposure;
- GRIT will not incur any debt beyond such amount that is covered four times by the gross value of its investments at the time of incurring such debt (ie a "4 to 1 cover ratio");
- GRIT will manage the overall portfolio to ensure that there is a spread of investments to provide diversification, with a target of having between **4** and **8** different investments at any one time.

GRIT will hold any uninvested funds in cash, cash equivalents or other liquid instruments with a view to maximising the returns on any such funds.

For the purpose of this investment policy, "Gross Asset Value" shall mean the aggregate value of the gross assets of GRIT, calculated in accordance with the accounting policies adopted by GRIT from time to time.
