### **Non Mainstream Pooled Product Rules**

The Board notes the changes to the FCA rules relating to the restrictions on the retail distribution of unregulated collective investment schemes and close substitutes which came into effect on 1 January 2014. The Board confirms that it conducts its affairs, and intends to continue to conduct its affairs, so that the Company's shares will be excluded securities under these new rules and will therefore be excluded from the FCA's restrictions which apply to non-mainstream investment products.

The Company's shares are excluded securities because the Company is an investment trust.
